Greg,

As we discussed today, below is one of two maps John Morgan sent to me. The maps are key components of materials we said we would send to Consol. We'd like to release them (second on its way in next email) to Consol today so that we can set up a meeting. Please advise.

Randy,

Please find attached a drawing indicating our mine only option. It is my understanding that you will forward this to Consol. Due to the file size I will send you the road drawing separately.
